Welcome Back To School

Volume 1, Issue 1

I want to welcome you all to another school year. This year our theme is College Bound Cadets. We want to prepare and inspire all of our students to be college and career ready. They're never too young to start thinking about their future. So as we motivate our students to accomplish individual goals and celebrate their progress, we also want them to become mindful of the ultimate goal of attaining a career or getting a college degree. Please help support our efforts by getting your child to school every day and communicating with your child's teacher regarding your child's progress.

Welcome New Staff

Please join us in welcoming our new staff members. Each and everyone of them are excited to be here and will add so much to our A.C. family. We have Mr. Jordan our new librarian, Mr. Coleman

is our reading tutor, Mrs. Carr will be teaching Gifted and Talented, Ms. Etter is our new fourth grade teacher, Ms. Anderson is the new Special Ed teacher, Ms. Scyffore

will be teaching Special Ed grades 4-6. And Mrs. Thurmond is the new attendance clerk.

Nurses Corner

Parents we are in need of gently used and cleaned uniform bottoms in all sizes for the unexpected accidents that occur during the year. Your clothing donations are to go to

the Nurses office. Remember we only need bottoms. Your generosity is greatly appreciated.

Attendance

Parents school starts at 7:30 a.m. and your children are tardy at 7:31 a.m. It is vital that the students are here every day and on time so that they can benefit from instructional

time. Also if your child has to miss a day please contact the school by 8:15 a.m. We appreciate your help in this.

Be at school on time

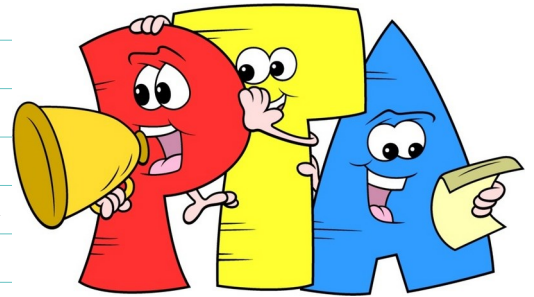

The PTA Needs You

The PTA is looking for new members. We are gearing up for an exciting year with fun incentives for our students and teachers as well as some improvements to the school. So if you would like to

join us and also be a part of our fundraising committee please sign up. Dues are only \$ 5.00 for the year. So come on and be a voice for our children and families. A strong PTA only

adds to the strength of our school. And the success of our kids.

Volunteers

Parents we welcome you to our building to volunteer. However for the safety of all of our students we ask that you please fill out a volunteer background check form. If you

have not received one they can be picked up in the main office.

Parental Involvement

Home involvement is defined as families engaging in activities, such as at home, at school, or in the community, with the purpose of supporting children's school edu-

cation or overall learning. Family involvement in education is also a shared responsibility, whereby teachers and other school staff reach out to families to support their

engagement in the school, and families make efforts to connect with the school and link their children's activities to learning.
